moments in time simple passages from the present into the future transport us to a world of discovery that eagerly awaits our arrival like sea shells revealed by receding waves or coral suddenly transformed into tidal pools teeming with life it is our choice to boldly and courageously seize the moment before it vanishes or slips through our fingers like so many grains of sand in the excitement of these moments we experience the purity of unfolding expression and chance where life introduces itself to us and hearts beat with renewed passion and urgency with each precious moment these are life s signature passages when we re immersed in the process of living and most receptive to serendipity carpe diem and to living life as it s meant to be spontaneous unscripted and in the moment it is into this unscripted world we now travel where lives are open to chance circumstance trials of the heart uncertain choices self discovery heightened awareness difficult challenges and hazardous routes forming images of who we are who we re meant to be and who we choose to become by choice and or by circumstance the many portraits of life a novel like a child waiting for an amusement park to open i began this adventure tugging on imaginary shirt sleeves and pleading can we go in now for a whole new world awaited my exploration called the many portraits of life a novel this journey began as an online adventure when i decided to write about relationships while at the same time immersing myself in many of my favorite themes and places what began as a single relationship quickly evolved into seven different relationships as i dreamed of circumstances i wanted to visit and explore soon these relationships began to overlap one another around the edges until eventually they began to weave together into a tapestry of color and life as if strolling through an exhibition titled the many portraits of life in the wing of an art museum it s only natural that i would find myself paging through my favorite thoughts and places as this story unfolded into a rainbow of my dreams you will find parts of me within each and every character setting and place as i invite you to stroll with me through this landscape of my heart s desires leading to unexpected situations and destinations in this world of my imagination that now eagerly awaits your arrival for this is the world within which we live this gallery of our lives this world of our hopes and dreams the many portraits of life cheers mark

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

eight internationally acclaimed authors have invented imaginary biographies and character sketches based on fourteen unidentified portraits in the collection of the national portrait gallery back cover
